

NEW YEAR, NEW DIVE ADVENTURES

Thanks to everyone who dove with us last year! 2016 is going to be even bigger and better at Gene's Aqua Pro.

Debrief TenChiller 2016 is in the log books! It was a beautiful day of diving even though the lake was up 33' above its normal level. We had a great turnout and the mule deer chili, taco soup, black-eyed peas, and charcoaled hamburgers were delicious. All pictures feature some of the 21 dedicated divers who started 2016 off right with the TenChiller! We also had a fantastic time diving Bonne Terre Mine outside St. Louis, Missouri in December. It's a truly unique experience and one we are excited to revisit again next year!

Upcoming Events It's time to plan or 2016 so here are a few fun group dives to put on your calendar.

- Saturday, March 19: Luck of the Irish Treasure Hunt
 - Tuesday, May 31: Party Cove on the Calypso
 - Tuesday, July 5: Party Cove on the Calypso
- Boat Saturday's** Visibility for a shore dive can be tough, so plan to explore some new territory and join us as we dive Tenkiller's islands from the Calypso starting May 21st!

See you underwater! -John

WINTER SHOP HOURS

We have an awesome selection of new Fourth Element Skins in stock now- perfect for layering up under wetsuits in the cold weather or a protective layer when the water warms back up! The dive shop will be open by appointment only for the next few months, so be sure and give me a call if you want to shop or need an air fill!
