

GENE'S AQUA PRO

COZUMEL CLOSE-UP

Another wonderful dive trip to Cozumel in the books. We witnessed incredible marine life, enjoyed perfect visibility, ate delicious food, and had good times with friends!

Cruising on Calypso Searching for undisturbed waters in our great Lake Tenkiller? Our boat, the Calypso, makes regular voyages for cliff and cove dives. Upcoming boat trips are Saturday, August 6 and Saturday, August 27. We leave Strayhorn at 10 a.m. and are out long enough for two tank dives, so we recommend packing a snack. The best part is these quick dive adventures are open to anyone for just \$25! Save your spot by giving me a call and getting your name on the roster for Calypso's next outings.

Open Call for Open Water Open Water classes are still going strong at Gene's Aqua Pro every weekend through Labor Day! This time of year often lends some of the best visibility of the season - it's not too late to make 2016 the year your family and friends become your dive buddies.

Pencil This In Mark your calendars to participate in John's Jack-O-Lantern Challenge on Saturday, October 15, and join us on a weekend trip to the mines of Bonne Terre, Missouri December 10-11.

See you underwater! -John
