

BUNDLE UP AND GRAB YOUR BUDDY

It's almost time for the 3rd Annual TenChiller group dive at beautiful Lake Tenkiller! Start 2017 off right by gearing up and getting in the water on New Year's Day.

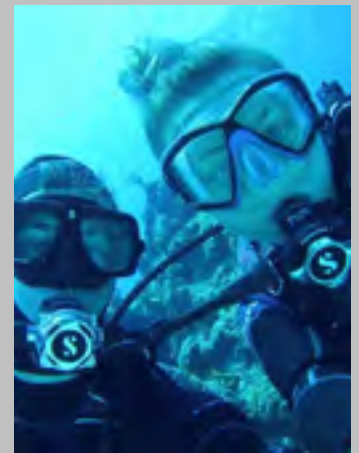

Dive into the Details We will meet at the dive shop at 11am on January 1st for some paperwork before traveling to the scuba park. After the dive, all are welcome back at Gene's Aqua Pro for burgers, chips, soda, and hot cocoa! Please RSVP (a call is fine) so we have enough food for everyone. Non-diving friends and family are invited to socialize and eat, too! If you're interested in a t-shirt or sweatshirt to commemorate your TenChiller dive, they will be available to order the day of the event for a delivery around two weeks later.

Bopping Up to Bonne Terre Our group adventure to Bonne Terre Mine in Bonne Terre, Missouri is just around the corner! We have a baker's dozen

diving December 10 & 11 and will be lodging at the historic 1909 Depot. This getaway is sold out, folks!

Santa's Coming Did you know we ship everything from Scubapro regulators to no fog from the dive shop daily? Give me a call anytime during daylight hours at 918-487-5221 and put the perfect presents for the divers in your life under the tree this Christmas.

See you underwater! -John
