

NOODLING OVER NITROX?

If longer dives and shorter surface intervals sound appealing, Nitrox might be for you. Take PADI's Enriched Air Diver specialty class with us on July 8th from 9-12.

Ready for Rescue Mark your calendar for PADI Emergency First Response on June 10th, which covers the First Aid and CPR components required for Rescue Diver. The next weekend, June 17th and 18th, we'll be back in the water for Rescue Diver. This course prepares you to deal with dive emergencies minor and major through discussion and hands-on exercises.

Crooning Over Coral Introducing the newest class to the Gene's Aqua Pro course book! The Project AWARE Coral Reef Conservation Specialty helps you understand the complexity of these habitats and how to conserve them. This non-diving certification is open to all with an interest in the aquatic world, so learn with family and friends on July 1st.

Hit the Deck Craving that summer boat time? The Calypso is ready to set sail for another summer on Lake Tenkiller. We'll have open boat days June 10th and 24th for \$25/person. Then on July 15th, we celebrate PADI International Women's Dive Day with women diving off the Calypso for free!

See you underwater! -John

PICTURE THIS DEAL

We're excited to launch an underwater camera rental program for your next dive trip. The SeaLife Micro 2.0 is available for \$89 per week, and you can add a light for \$69. If you've toyed with the idea of buying a camera, take it for a test drive. If you just want to capture underwater memories one week at a time.... Say cheese!
