

TRAVEL ON THE HORIZON

July's trip to Cozumel is in the log books! We had a great time under the sea with 24 divers. And now we start planning our next trip to paradise: January 2018!

Booked for Bonne Terre Our next trip to Bonne Terre, Missouri will be December 9th and 10th. Dive cool, clear waters in a truly unique destination; this abandoned mine is one of the most extraordinary dives in America!

Back to School We have a spectrum of PADI specialties on the schedule over the next few weeks. First, a double-feature weekend: Night Diver specialty August 25 and 26, as well as Advanced Open Water August 26 and 27. Then, we'll do an Emergency First Response class on September 9 in preparation for Rescue Diver the following weekend, September 16 and 17. Fall in Lake Tenkiller boasts some of the best visibility and warmest water of the year. This is the perfect time to knock a certification off your underwater bucket list!

Better & Brighter We have a new shipment of Dive Rite's BX2 in stock. This handheld, rechargeable light offers 1,000 lumens and is available for just \$99.

Lights are one of the most essential accessories for a diver...Don't settle for diving in the dark!

See you underwater! -John
