

LIFE IS GOOD AT LAKE TENKILLER

Visibility is good and only gets better with depth. And the water is like taking a bath down to 100 feet!

The Grand Tour Looking to spice up your next trip to the Scuba Park at Tenkiller State Park? Try “The Grand Tour” on for size! In one dive, navigate to and lay a hand on all 7 landmarks: the twin boats, the green boat, the Aquanaut boat, the helicopter, the plane, the bus and the park dedication monument. Swing by the shop to see a map and plan your attempt!

Fall Fun The last Calypso voyage of the season will be Saturday, September 9th. Emergency First Response class is also set for September 9th and is a prerequisite for Rescue Diver the following weekend, September 16th and 17th. Then, we’re offering Divers Against Debris on October 7th. Learn

how to conserve our waters with this one-dive specialty class focusing on the collection, cataloging and reporting of underwater trash. Finally, we have an Equipment Specialist classroom course on November 11th.

Carving Up A Tradition The 4th Annual John’s Jack-O-Lantern Challenge underwater pumpkin carving contest is set for Saturday, October 14th. Look out for full rules and details in next month’s newsletter!

See you underwater! -John

UPCOMING TRAVEL

Our annual trip to Bonne Terre Mine in Missouri is fast approaching December 9th and 10th. We only take 10 divers on this experience and 3 spots are already spoken for! If the ocean is more your speed, we’re going back to Cozumel January 23-28, 2018. The July trip sold out quickly, so get your deposit in soon to reserve your spots!
