Our 4th annual underwater pumpkin carving contest is fast approaching on Saturday, October 14th. Grab your gourd, tools and dive buddy if you're up to the challenge!

The Details We'll kickoff the festivities at the dive shop at 1pm. Diving will take place at Strayhorn Landing, and we'll have judging, awards and food afterwards. Full rules will be posted to Facebook, but here are the highlights:

2. Don't cut your buddy. Speaking of, you **MUST** have 1 or 2 buddy(ies).
3. You must clean out your pumpkin at the dive shop, not before arriving.
4. You may not draw, trace or otherwise mark your pumpkin above water. Stencils and templates are **NOT** allowed.
