

PUMPKIN CHALLENGE CHAMPS

Congrats to Jessica and Lacey for taking the Grand Prize at the 4th Annual John's Jack-O-Lantern Challenge! Another great event in the logbooks and a new one up our sleeve...

Black Friday Bubbles Shopping centers not your scene? Here's another way to spend your day - with a dive challenge, cookout and camaraderie! Starting at 10 a.m., we'll take on the Grand Tour at the Tenkiller Scuba Park. In the spirit of the season, there will be a few surprises along the dive route and several specials when we reconvene at the shop for hot dogs and hot cocoa.

Serving Up Specialties Itching for that next C-card? You're in luck! Emergency First Response kicks off the month on November 4, covering CPR and First Aid techniques and required before pursuing Rescue Diver. Next is Equipment Specialist on November 11, diving deeper into routine

maintenance and solutions to common gear problems.

Finally, Rescue Diver is November 18-19. Often considered the most rewarding PADI specialty, you'll learn life-saving techniques while having a lot of fun!

Say Cheese Don't let your next dive adventure go undocumented! We have SeaLife cameras and lights available for rent on a weekly basis.

See you underwater! -John

BIT BY THE TRAVEL BUG?

Our weekend adventure to Bonne Terre Mine, Missouri is December 9-10. One of the most unique dive sites in the world and driving distance from Oklahoma, you don't want to miss it! And if the ocean is calling, our next voyage to Cozumel, Mexico is fast approaching January 23-28, 2018. We only have room for two more divers!
