

## TIME AGAIN FOR THE TENCHILLER

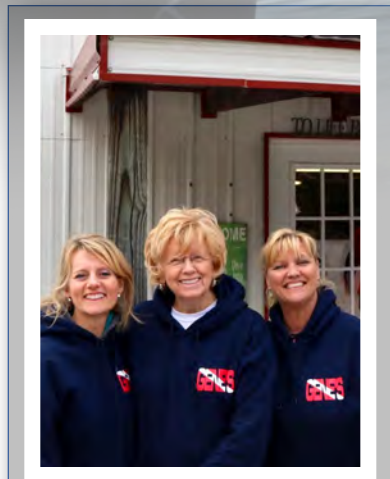

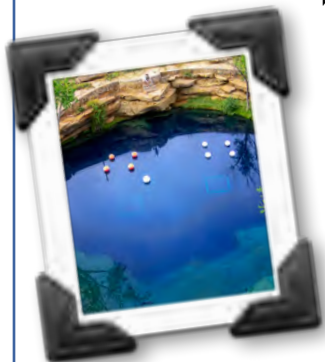

Giant stride in to 2018! Our 4th Annual TenChiller New Year's Day Dive is fast approaching! The waters may be cold but the bragging rights are worth it.

**More TenChiller Talk** We'll convene at Gene's Aqua Pro at 11 a.m. on January 1st before traveling to our dive site. After surviving the Tenkiller waters and adding an entry to our logbooks, we'll head back to the dive shop for hot dogs, hot cocoa and camaraderie. There will again be TenChiller merchandise available to commemorate the occasion, follow us on social media for updates and to order your swag ahead of time.

**Cozumel in January** By popular demand we're returning to Cozumel, Mexico in January, and the trip is officially SOLD OUT. If you missed the boat this time, plan your vacation days accordingly: we'll start taking deposits January 1st for next summer.

**The Blue Hole** Announcing our first-ever group trip to the Blue Hole in Santa Rosa, New Mexico next February 17th and 18th! A truly unique dive site favored by our very own Instructor Larry Perry, we'll teach a few specialty classes and explore the clear depths. Give us a call if you'd like to join this adventure!

See you underwater! -John
