

STATE OF THE DIVE SHOP ADDRESS

As we dive in to a new year, I wanted to give you an update on where we are and where we're going.

In 2017 we added Howard, Grant and Richard to our Divemaster corp and Larry and I received PADI's Elite Instructor award for completing over 50 certifications each. We became a PADI Five Star Dive Center and were one of the winners of the PADI Master Scuba Diver Challenge. After offering Scubapro since 1971, we are now a Scubapro Platinum dealer. As an instructor and shop owner, I try to keep our prices as low as possible in order to remain in business, while providing ample opportunities for dive travel and promoting local diving right here in Oklahoma. As you start logging dives in 2018, please remember that online retailers don't fill your tanks, certify new divers or swap stories of last weekend's water conditions. They do not sponsor group events like treasure hunts, lake cleanups or New Year's Day dives like Monday's TenChiller. Thank you for supporting Gene's Aqua Pro for the last 46 years, and the last 4 years that I've been at the helm. Together we have achieved many of the goals I set when I assumed command and I'm excited for what we'll continue to do for the sport together in the years to come. It's a privilege to be your local dive center for education, equipment and travel and I look forward to another year of fun by your side in the Realm of Neptune.

See you underwater! - John Cotherman
