

BLUE HOLE IS A HOLE-IN-ONE

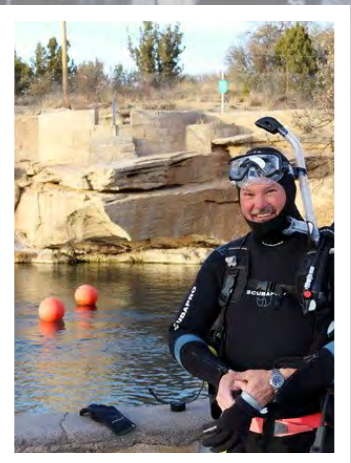

Our inaugural trip to Santa Rosa, New Mexico to dive the world famous Blue Hole was a success. Thanks to all who joined us and completed specialty classes. We'll be back!

You're In Luck It's time again for our annual Luck of the Irish treasure hunt, coming up on St. Patrick's Day, March 17. Find a buddy (only one!) and start strategizing. Dive teams will be unleashed upon Lake Tenkiller in pursuit of yellow golf balls, heretofore considered "gold." The top three buddy teams who collect the most treasure will win our grand prizes, but we'll have some extra loot for everyone else, too. Entry fee is \$20 per person and includes a t-shirt and hot dog lunch. Check out our Facebook page for full event details.

Dive Against Debris Back by popular demand, we will once again participate in an "Earth Day" dive with PADI's Project Aware Dive Against Debris program. There are limited spots available for this class and group dive event on April 21, so make sure to get your name on the roster soon!

Final Call for Cozumel We only have 8 spots left on our upcoming voyage to Cozumel, July 8-13. Now is the time to say yes to world-class diving in beautiful blue waters and reserve your seat on the boat!

See you underwater! -John

SPECIALTY SEASON

Spring is the perfect time for new certifications before the summer scuba season. Equipment Specialty will be offered on March 24. Dry Suit Specialty will be held Sunday, April 8. Advanced Open Water is set for May 5-6. Then we'll have an Emergency First Response (required for Rescue Diver) April 14 in preparation for Rescue Diver May 19-20.
