

A MIDSUMMER NIGHT'S DIVE

Mark your calendars for Saturday, July 21st - we're celebrating the dive days of summer with a hot dog cookout followed by a group night dive.

The Details We'll congregate at the dive shop at 5 p.m. before journeying to the Tenkiller Scuba Park. This is a FREE event and a great time to hang out with your fellow divers. To add to the festivities, we'll offer Night Diver and Nitrox specialties that afternoon if you want to start the fun a few hours early. The group dive will count as one of three required dives for the Night specialty, and it's a perfect chance to try Nitrox for the first time, too.

Women's Dive Day Need another reason to dive on Saturday, July 21st? Join us in celebrating female divers around the world through PADI's

International Women's Dive Day. We're offering a free adventure aboard our boat, the Calypso, for all women that morning. So grab your gear and girlfriends and let's go diving! Give us a call to reserve your seats.

Classes & Calypso We still have openings for our weekend Open Water classes in July and August. It's not too late to get your family and friends certified in time for prime fall diving at Lake Tenkiller!

See you underwater! -John

MUST-HAVE MASKS

This just in: a huge shipment of masks from Scubapro. We're restocked in classic styles and newer models like the Synergy 2 Twin (pictured) in an array of bright colors. While the 2 Twin model seals perfectly on smaller faces, we also have several wider frames and black skirted options. Come try them on for yourself in our showroom!
