

## DIVE WITH THE PEOPLE YOU KNOW

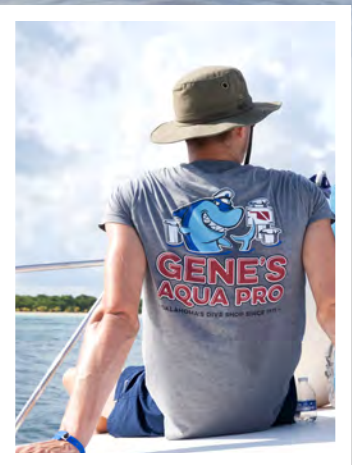

Thanks to all who joined us for our signature trip to Cozumel in July! As always, we had a great time with good folks and excellent diving. Stay tuned for next year's dates.

**Not a One-Trip Dive Shop** Cozumel is a classic, but there are so many other destinations to log! Up next is our annual "drive and dive" to Bonne Terre Mine, Missouri on December 9-10. The setting is an abandoned mine for a truly one-of-a-kind experience a day's drive from Lake Tenkiller. Then, we're embarking on our first group trip Cayman Brac January 26 - February 2, 2019. We snagged extra rooms but spots are going quick. Give us a call for more information or to join either of these adventures!

**Scuba School** There's only one month left to get your friends and family in an Open Water class this season! But we have plenty of specialties planned in the months to come for those already certified. Check out our Facebook page or give us a call for specific classes and dates!

**Save the Date** Sunday, October 14th will be the 5th annual John's Jack-O-Lantern Challenge! Lookout for more details on our underwater pumpkin carving contest in future newsletters.

See you underwater! -John
